## Why Join FrontLine?

Join FrontLine because....

You are a strong & proud independent retailer who can see that it's challenging at times to "go it alone". You want access to a support network of services, opportunities & savings that you can utilise to make your life easier & more profitable. You want to remain independent & in control of your business – you just know that having greater access to opportunity gives you more choices & abilities.

FrontLine is a member owned not for commercial profit retail buying group, designed to save independent retailers of Australia time, and help them increase profitability.

Our focus is on maximising the benefits and opportunities available to our retail members, through providing service, support & reduced operational costs. As a result our retail members are able to remain independent, and more profitable.

---

## See The Savings!

Every year, as a retail member, you will receive a member benefit statement, showing you the savings you have made by being a part of the group.

FrontLine membership is structured to benefit all members, from small metropolitan boutiques through to large department stores. We seek to ensure that the value of membership received by members is well in excess of the minimal costs involved with participating in the group.
